

# 4 Technical Analysis Indicators to Help Improve Your Entries and Exits

***What's the biggest frustration or challenge you're facing with trading at the moment?***

Question

*Use the right tool for the job.*

# Today's Journey

- How to use top technical indicators
- How to search for trading candidates

# POLL

Which technical indicators do you use the most? (you can select more than one)

1. MACD or MA Crossover
2. Support & Resistance
3. DPO and/or Bollinger Bands
4. Stochastic Oscillator
5. I don't use any.

# 1 How To Use Top Technical Indicators

***Don't know what to look for***

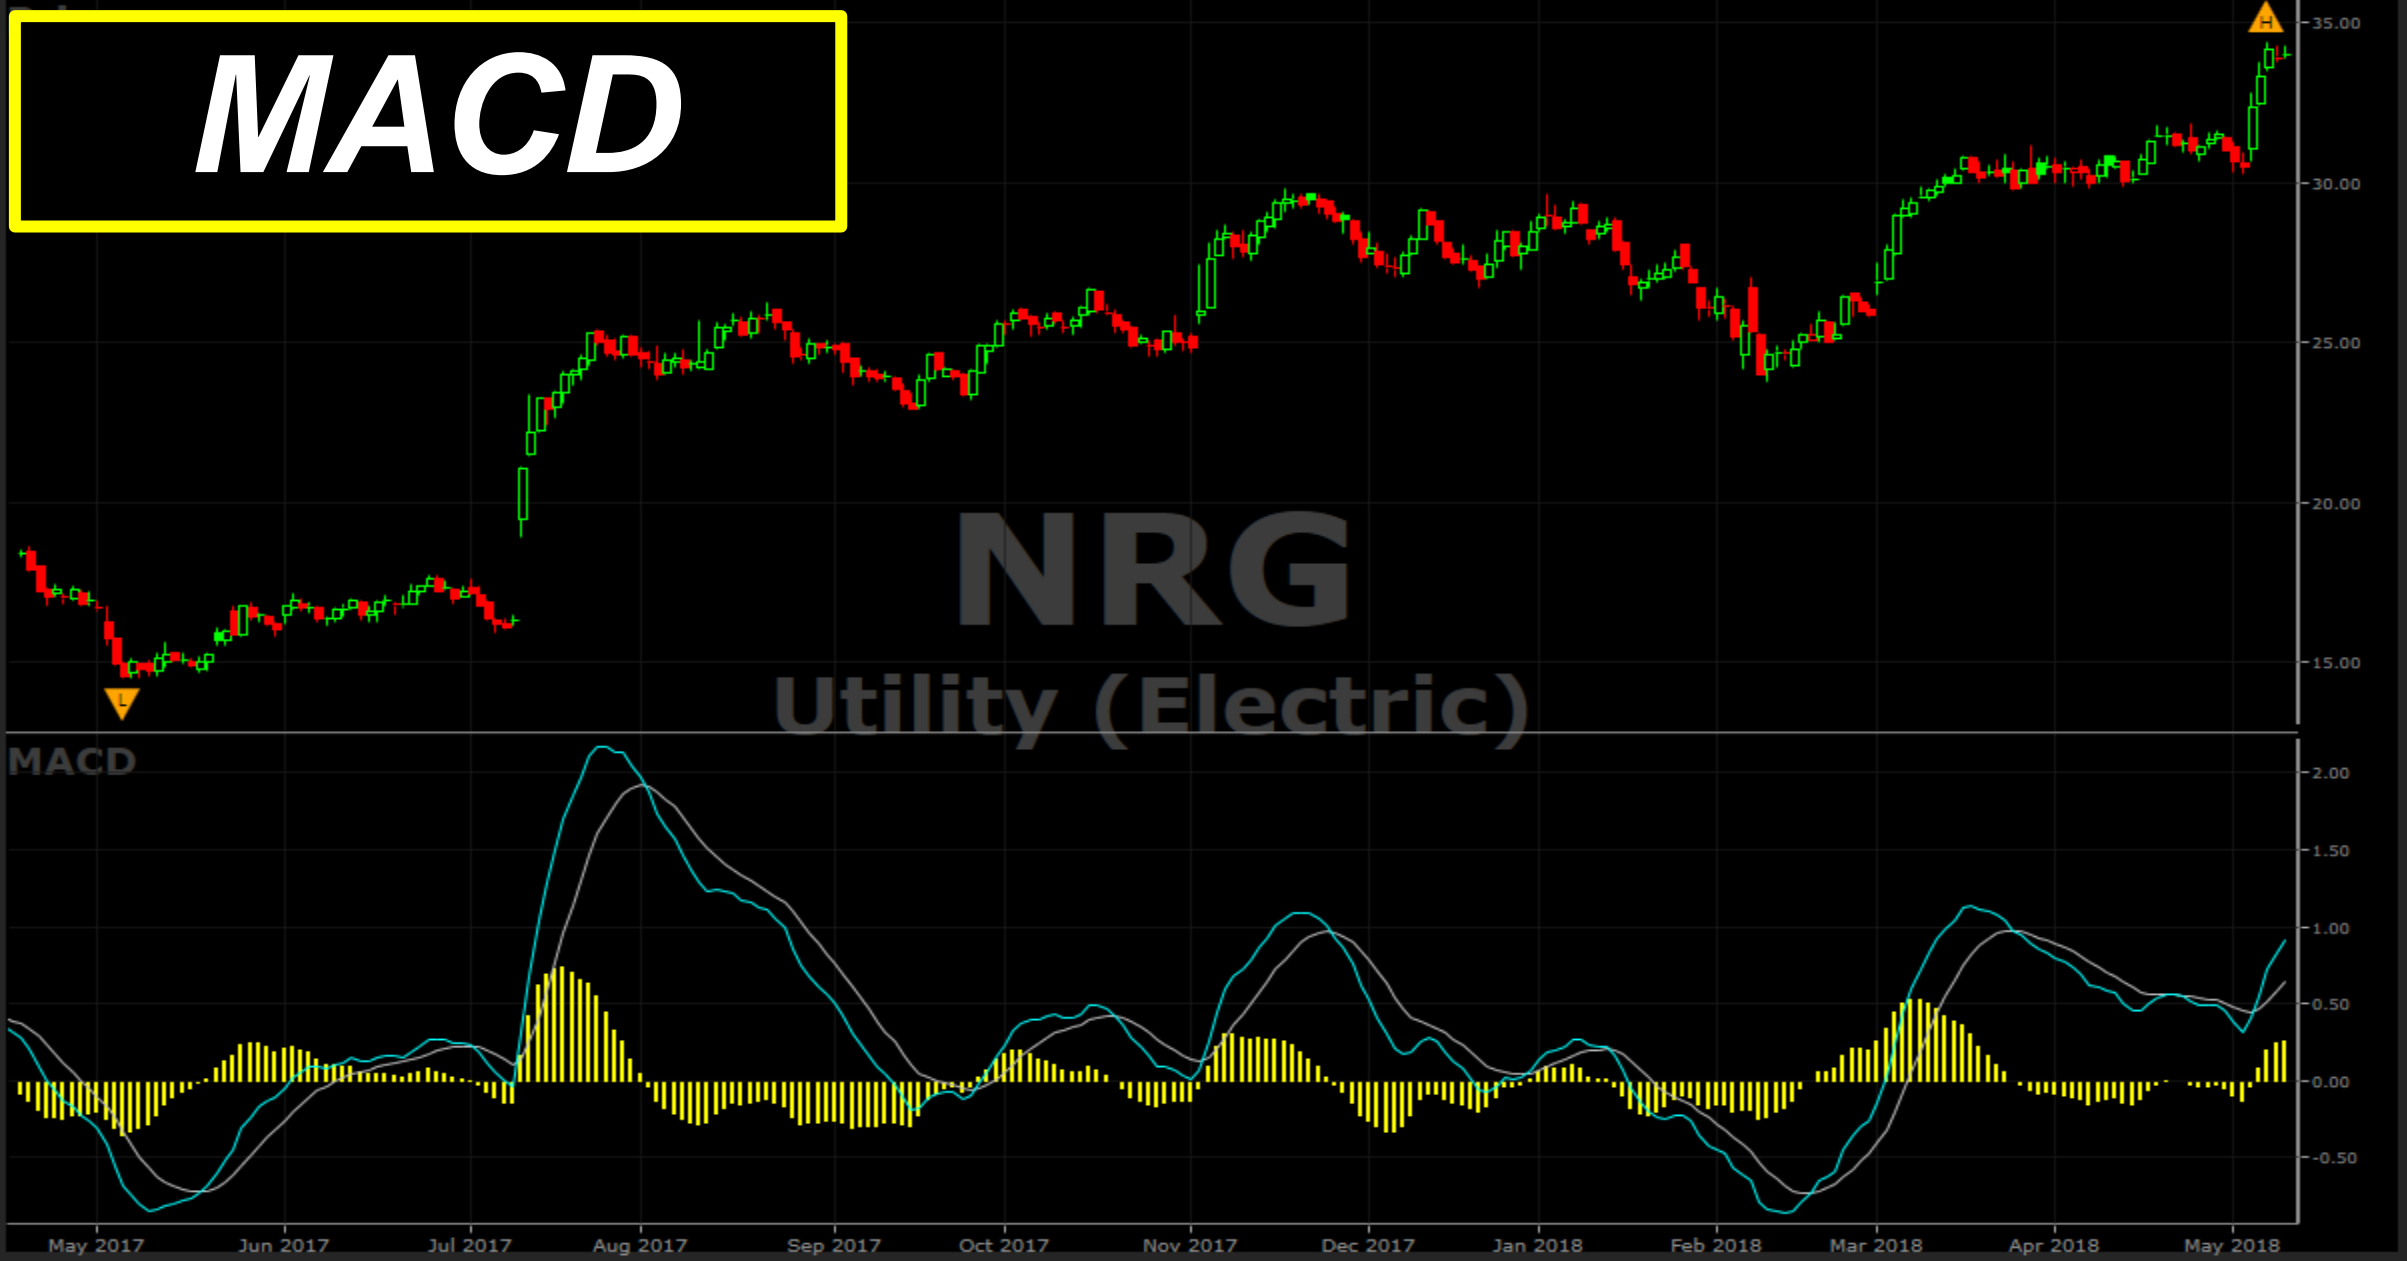

A large, chaotic pile of unsorted LEGO bricks and parts in various colors including red, blue, grey, yellow, white, black, and green. The pieces are scattered across the frame, creating a dense and colorful background. A black diagonal banner with white text is overlaid across the center of the image.

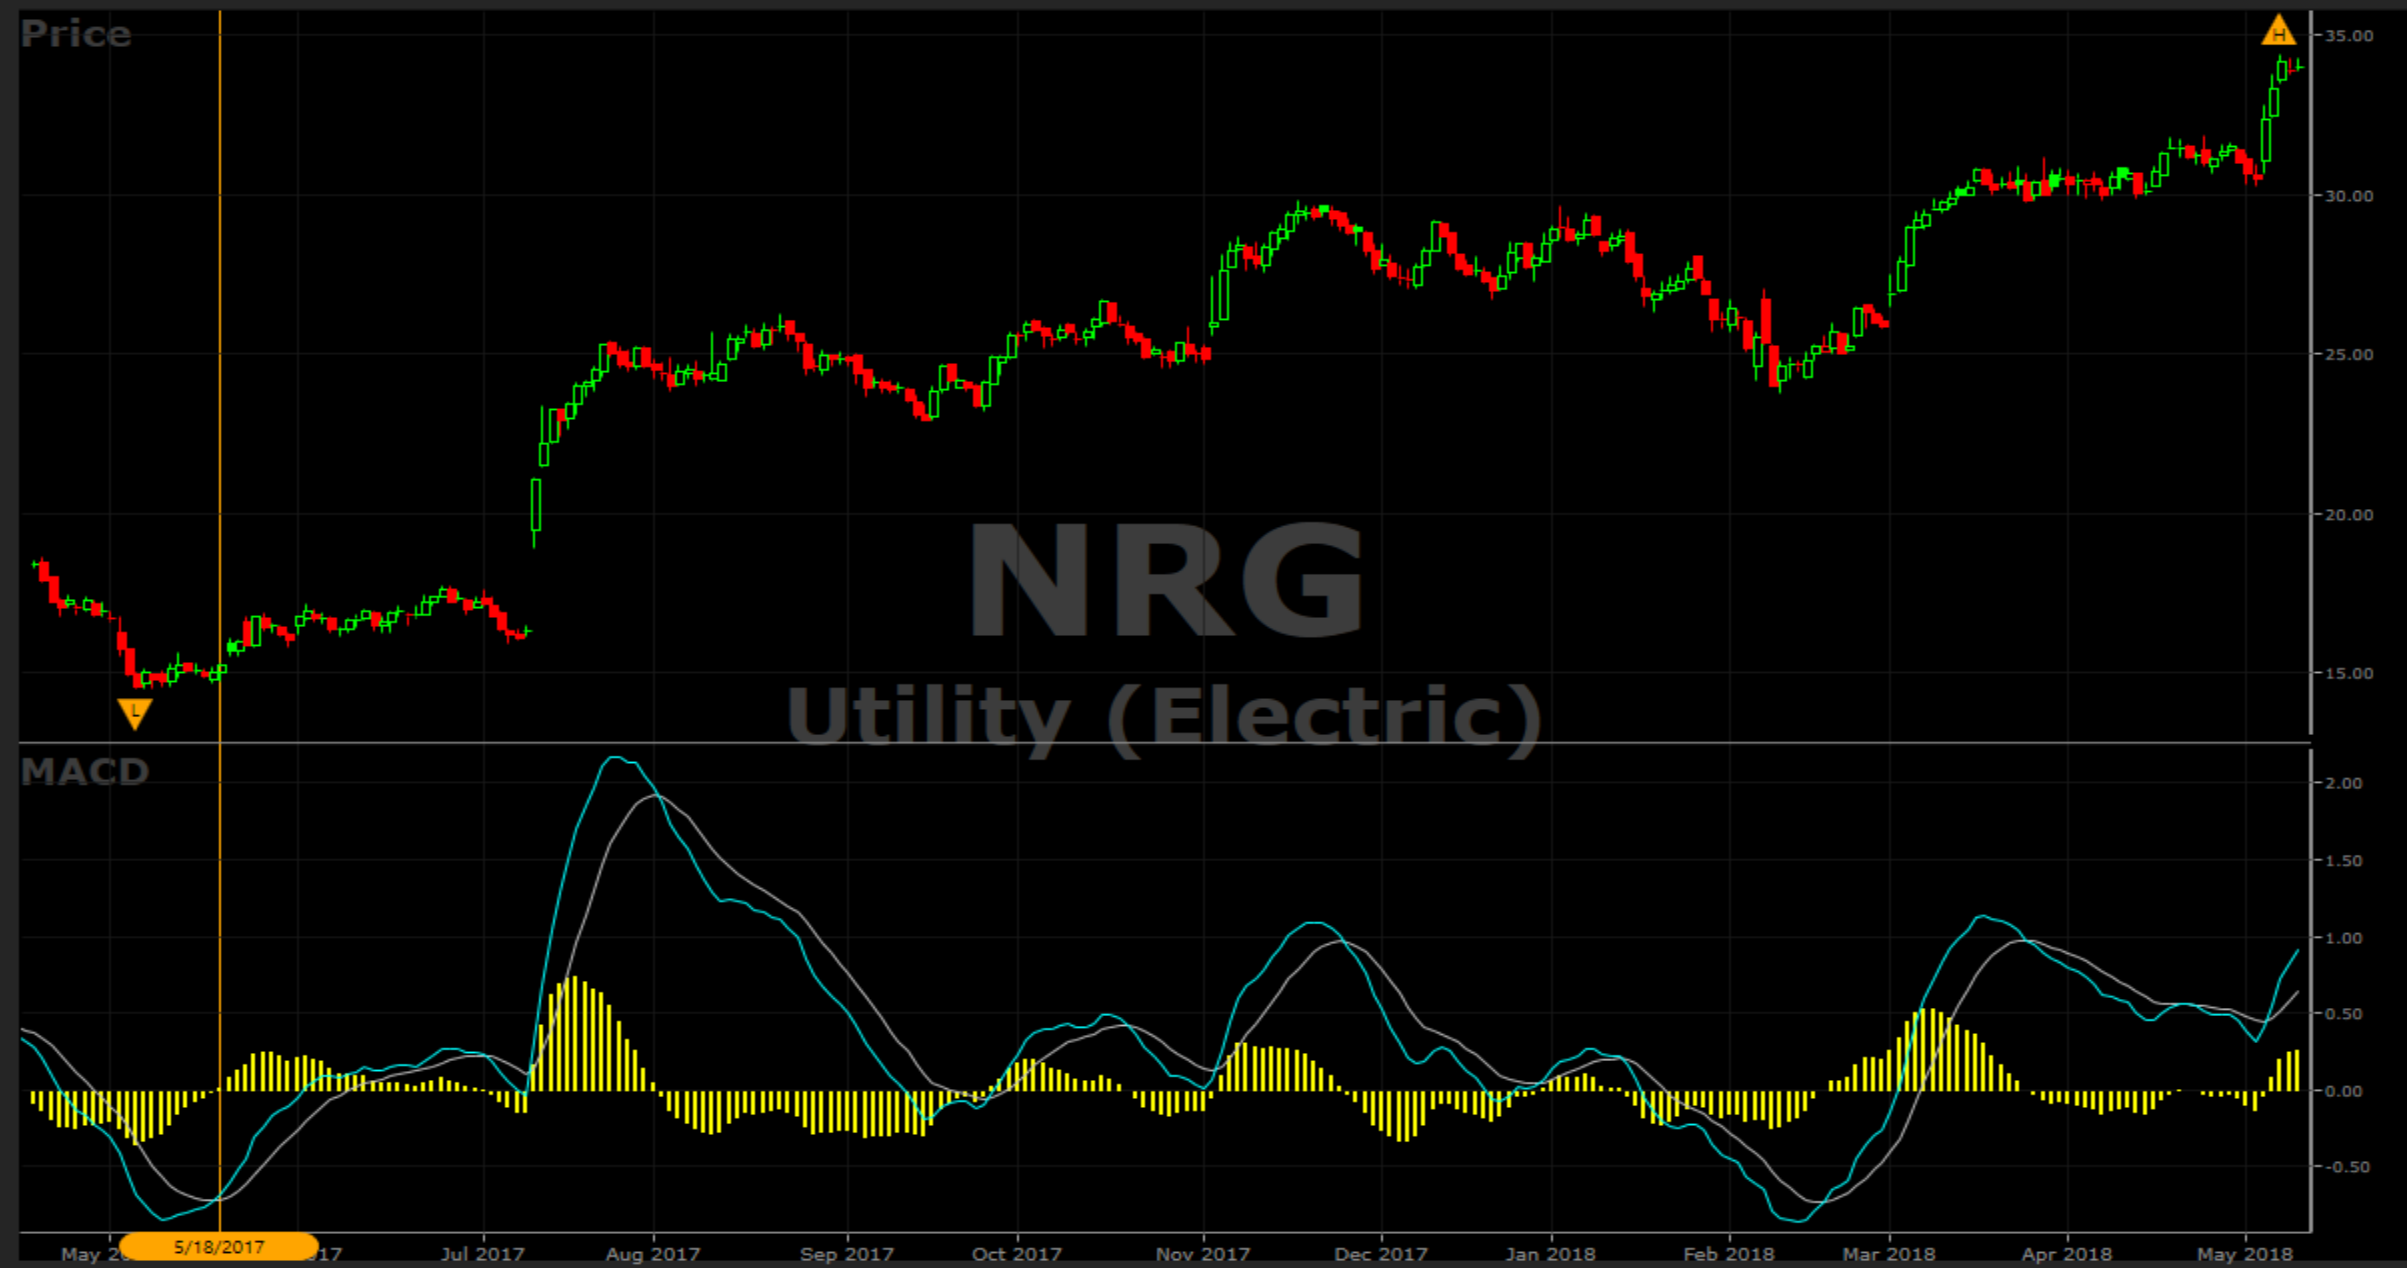

***Know The Right Patterns***

# *How to Search for Trading Candidates*

***Can't find trades easily***

A wooden sifter on a tripod stand is filtering a mixture of small particles into a metal bowl. The background shows a rustic setting with logs and a wooden structure.

***Easily Find the Best Candidates***

**1 by 1**

**Search**
